Sir,

I have been allotted 2 Kanal plot no. 3-21-B/D at Chandigarh. As it is rather small & unsuitable for my requirements, I would like to have 3 Kanal plot in 9-sector in exchange for my 2 Kanal plot, for which I have already paid Rs 1501/- as 1st instalment.

I understand 3 Kanals plots are yet unallotted in sector no. 9-B. If it is so, I shall deem a great favour if plot no 52 is allotted to me in exchange. I am prepared to pay the balance, which amount may kindly be intimated to me after allotment in exchange.

No. 7000-89 /R.P.2997 Dated 18/5

Subject.—Resumption of sites on expiry of time-limits for completion of construction.

Please refer to this office letter No. 9498/RP 2997, dated 3-3-53.

2. According to Rule 12 of the Chandigarh (Sale of Sites) Rules, 1952, construction on site No. 52, Street —, Sector 4-B, was required to be completed within 5 years of the date of issue of allotment order. This period has been extended from time to time and the present extension expires on 31st March, 1961. Kindly take notice that if construction on your site is not completed by this date your site shall stand resumed.

3. In the event of resumption, Government will forfeit 15 per cent of the price of the plot. A refund of 85 per cent will, however, be made as a matter of grace after Government have resold your plot.

4. It has been represented to Government that the strict implementation of these decisions might operate harshly in the case of genuine builders who have experienced difficulty in obtaining adequate supplies of building material during recent weeks. Government have accordingly reconsidered the matter and have decided to make an exception in the case of owners who undertake to complete construction by 31st March, 1962. In all such cases sites will be re-allotted to the owners on 1st April, 1961, without the imposition of any penalty. However, in order to ensure that this concession is not misused by speculators, it will be made admissible to only those who fulfill the following further conditions :—

(a) Building plans for the site should stand sanctioned in all respects by 31st March, 1961 ;

(b) No transfer of the site will be permitted till construction has been completed on it ;

(c) In case construction on the re-allotted site is not completed by 31st March, 1962, the site will be resumed and 50 per cent of the price will be forfeited.

5. In case you wish to apply for re-allotment of your site in accordance with the offer contained in the preceding paragraph, you are advised to apply in the enclosed form within 14 days of the receipt of this letter.

Kindly see the contents of A.E.O's orders dated 10. 4. 61, on overleaf. I do not recollect if we made any reference to the Legal Remembrancer about such a matter. The special feature of this case is that the building on the site is already under construction. The question is whether that and the building can be transferred in a manner as has been done by the applicant or the transfer should take place through the Honorary Registrar, Chandigarh either as that sold out or as a gift.

Submitted for f/o orders.

I am of the opinion that he may transfer the rights & title in the said plot through the Hony. Registrar, Chandigarh after the Building is Completed.

(18)

The contents of P.U.C. may kindly be seen. Dr. Jiwan Singh is special attorney of Shri Manmohan Singh. He has desired the re-allotment of site in favour of his daughter Shrimati Gurwant Kaur as a gift.

2 The special feature of the case is whether we can re-allot it in favour of Smt. Gurwant Kaur. Secondly in this case, the plans of the building have been sanctioned and building is nearing completion. The point is whether that should be transferred through Hony. Registrar, Chandigarh. Thirdly, we have served notice on Shri Manmohan Singh about the resumption of site in the event of his building if not completed before 31.3.62, and he can only transfer the site after completing the building through the Hony. DEAR SIR,

As you are no doubt aware, all residential sites which were allotted in 1952 and 1953 were to have been resumed if construction on them was not completed by 31st March, 1962. It was, however, later on decided by Government to permit the owners of such sites to retain them, provided they undertook to complete the construction by 31st March, 1964 and also undertook not to transfer any rights in the sites till the construction had been completed. In order to give effect to this decision as well as to complete our records, it is necessary to obtain information from each such plot-holder as in the enclosed letter. You are accordingly requested to complete and despatch this letter by registered post so as to reach the undersigned by 1-6-62 In case I do not hear from you by this date, it will be presumed that you have not completed construction on the site and you are not interested in retaining it.
